Education & Training

Musical Theater Showcase	Interlochen Academy for the Arts, Interlochen MI	2025
---------------------------------	--	------

A 3-week program working with high-caliber instructors to develop the physicality, knowledge, and tools to be a successful musical theatre performer. At the heart of the program are the musical theatre rehearsals, which encompass vocal work, movement, and a daily acting technique class. The session culminates with a performance of a high-energy, highly entertaining musical revue.
